### A Breezy Time.

Last Saturday was indeed a "breezy old time" in Garland. The wind blew a hurricane most all day. At the races on South Main street the riders had a hard job to cling on and the score made by Ogden's U. P. team was blown to the forewinds. The following racing events were pulled off:—

Matched race between Jensen's black and Fife's gray. Black won out.

Matched race between Owens' brown and Haws' bay. The first race was a tie and in the second heat the bay came out ahead.

Ogden's U. P. team, accompanied by an aggregation numbering twenty in all, gave our boys a little practice work on the diamond, but the game was to one-sided to be very interesting. Garland's nine pined up a score of 34 and the visitors got 4 runs. This contest was the first game of the season for the Ogden boys. They are a nice class of fellows and we hope they will come again before the season closes.

### Bennett's Big Show.

Billy Bennett's company of 20 special artists, accompanied by a good band and orchestra, gave two very creditable performances in their big Alrdom Theatre in Garland Wednesday and Thursday nights. The opening bill was "Arkansas Traveler" and "Kit Carson" was the second night's attraction. Both plays were well presented and the attendance was good. The specialties presented between acts were up-to-date and very entertaining. Billy Bennett, the manager, is a cracker-jack in the specialty line.

### Colds That Hang On.

Colds that hang on in the spring deplete the system, exhaust the nerves, and open the way for serious sickness. Take Foley's Honey and Tar. It quickly stops the cough and expels the cold. It is safe and certain in results. Riter Bros. Garland and Tremonton Drug Store.

### THE HAPPY HOUR CLUB

The members of the Happy Hour Club were entertained Friday evening, May 15, by Julia Strong and Harry Bridenbecker, at the home of Bp. W. L. Grover. The rooms were artistically decorated in "Purple and White," the Club colors. A cluster of purple and white lights hanging from the center of the rooms, with a canopy of crape paper around each chord formed the center piece and streamers to various parts of the rooms, with vases of purple and white flowers on tables and stands, made a pleasing sight to those present.

The invited guest were Miss Rilla Watkins and Miss Emma Nelson of Brigham City, Miss Della Bingham and Mrs. Lucy A. Clark. Messrs. Burdett Smith, J. C. Wheeler and Mrs. W. L. Grover were judges of the debate.

While the early birds were waiting for the rest of the guests, they enjoyed a good laugh on one or two who sat on a false-legged chair.

Various games were engaged in among which was a guessing game. A number of articles were placed on a stand and each guest was handed a slip of paper and pencil, then walked around the stand twice into the other room. They were asked to write all the articles they could remember of seeing. Of the forty-five articles, Miss Lera Clark remembered thirty and was presented with a beautiful prize, which will cause her to remember the occasion in after years.

The debate, "Resolved that Woman was, is and always will be a side issue," was then listened to with shouts of laughter and clapping of hands from the ladies while the gentlemen meditated over their fate, that women were their equal.

Each guest was presented with a small card containing their fortune which was brought out by holding it over a lamp—Just then the lights went out.

A dainty lunch of two courses were served.

The Club will be entertained Saturday, June 13th, by Miss Freda Nelson and Mable Watkins at their home in Brigham City. A hearty invitation is extended to all Club members.

### Fleet Notes.

James Jensen was first to return, but last to tell us how he and Geo. Clark fed the fishes on the way to the Cataline Islands.

T. H. and Charlie Edwards arrived last Saturday evening. Thales brought with him a baby stark and an octopus.

Geo. Clark came back last Sunday night and our paper is not large enough to explain how Geo. got into the bottom of the Connecticut and won a home with Bob Evans.

John Olsen and R. D. Schwab were so taken up with the California climate that they secured employment in that state and decided to remain.

Mosiah Evans arrived Monday evening and Miss Hazel Evans will spend a few weeks longer visiting relatives. Mr. Evans posted a letter in Uncle Sam's P. O. at Los Angeles Friday telling his wife he would be home Monday and Tuesday morning he had the pleasure of taking the letter out of Garland's P. O. and delivering it to his wife. Evans must have returned by telegraph P. D. Q.

Miss Pearl Saunders, Morgan & Sons' popular lady clerk, has been visiting friends in Logan.

### To Our Subscribers.

The latest ruling of the Post Office Department is, that Uncle Sam will not carry newspapers at the present rate, if the subscribers are more than one year in arrears with subscriptions. The officials practically insist that subscriptions must be paid in advance. Uncle Sam does not pretend to dictate as to how our business shall be conducted, but he insists that he will not deliver papers to those who do not pay up their subscription, as he is not in the postal business for the pleasure of it altogether.

Now we do not want to lose your subscription. We need it and you ought, by all means, to have our paper, so let's get together and comply with the requirements of the government, thereby making life more pleasant for us all.

### Band Notes.

The Garland Military Band has secured an option on the Garland Amusement hall for the summer season. The agreement entered into gives the Band the use of the hall every Saturday and all legal and local holidays during the summer. The services of Prof. C. Christensen of Brigham, as instructor, have been secured and the boys were given a thorough drilling in "tooting" Wednesday night. Look for "something doing" this summer by the famous Military Band Boys. Success.
